

Tradition Golf Club

This scenic 18-hole Championship course was cut out of the woods and is located on beautiful, rolling terrain. Strategic shot making is key to scoring at The Tradition, with its winding, tree lined Bermuda fairways and smallish greens. Three of the fairways are dogleg configurations and the remaining holes are straight away. Several of the bent grass greens are undulating, leaving the remainder primarily flat. Eleven water hazards including lakes and streams come into play throughout the course.

The Tradition Golf Club was designed by John Cassell, II and opened for play in 1996. This par 71 course has retained its natural privacy over the years and remains nestled in its own natural surroundings. Cassell, has orchestrated a masterpiece of understated elegance with The Tradition. His layout manifests harmonic blend of natural beauty and golf course craftsmanship. The result is a majestic, tree lined layout that delights the senses while thoroughly, albeit fairly, challenging all facets of a player's game.

The Tradition Membership Concept

Membership at most golf and country clubs begins with a high entry fee and substantial monthly dues. This is great for those that have the leisure time to get their money's worth. We believe that The Tradition's concept provides an attractive alternative.

Our membership options are designed to accommodate individual or family needs, availability and budgetary requirements. With only a one year commitment requirement, we've designed The Tradition membership to be one that offers flexibility and convenience.

Our concept provides semi-private club privileges with no application or initiation fees as well as highly affordable and a manageable low monthly dues structure. Individual or family classifications are available. You choose what best fits your needs.

How to Join...

Becoming a Tradition Golf Club Member is easy. Here are the simple steps to joining.

SIGN UP & MEMBER DUES PROCESSING

There is a Membership Application attached to this packet. Complete all the information and either mail the application or bring it to the club. The initial Monthly Dues fee can be paid by check or credit card. With your application, your first month's dues [prorated from signup day] will be processed to the credit card you indicate. Checks should be made payable to Tradition Golf Club.

Monthly Dues are electronically withdrawn on the last day of each month to a secured file to your credit card on record. An e-mail communication to the membership application e-mail address will be sent from the payment processor two to three days in advance of the charge and again on the day after informing you of the completion of the transaction. The e-mail communication will also advise if a problem occurred with the transaction i.e.... credit card decline, invalid expiration date, etc. If a monthly dues credit card charge is denied, immediate advisement is required by the individual member or membership will be suspended.

To end or cease a membership, a 30-day written [e-mail] cancellation in advance of the next billing date [last day of month] is mandatory and required. Verbal communication cannot be accepted.
